

GEOGRAFÍA DE MÉXICO

Cuaderno de trabajo

Querido viajero:

Cada página de este cuaderno está pensada para que tú puedas llenarlas con dibujos, fotos, notas y datos interesantes que vayas descubriendo durante tu viaje por los estados de nuestro país. Investiga sobre los principales lagos y ríos, montañas y desiertos, puedes crear tu propia clave de símbolos para ubicarlos en el mapa. Conoce los diferentes climas de tu propio estado y quizás de algunos estados vecinos. Traza los mapas, sorpréndete con la maravillosa fauna y flora, e incluye fotos de los lugares que hayas visitado.

Así, más que un cuaderno de estudio, al final podrás tener un diario de recuerdos de momentos y lugares.

Feliz viaje...

Con cariño

Sarai Hernández
